Motor Vehicle Crash on TV Highway Causes Delays

On June 7, 2013 at approximately 6:02 p.m. Beaverton Police Officers responded to the area of TV Highway and SW 139th Way on the report of a motor vehicle crash.

When officers arrived they discovered a white Buick sedan had struck a PGE power pole and caused major damage to the pole. The driver of the vehicle was not injured in this crash. The PGE power pole sustained enough damage to cause concern that it might fall. Because of this damage TV Highway between SW Murray Blvd and SW Hocken Ave is closed to both East and Westbound traffic. It is expected that traffic will be affected in this area for at least the next five hours. PGE has been notified and will be responding to replace the power pole.

Speed or alcohol were not contributing factors to this crash.
